

Parkside's First Grade Supply List

The following items are supplies your child will need for First Grade. Please use this list instead of the one supplied by the district. In the left hand column are supplies that were included in the "Schoolkidz" packets that some of you ordered. In the right hand column are additional supplies that are needed. If you did not order the "Schoolkidz" packet, you will need to get all the supplies on the list. Please be sure your child's name is written on EVERYTHING (including individual markers and crayons). Thanks for your help in getting your child off to a great start! We are looking forward to working with you and your child!
