

Burns' Bulletin

Language Arts

This week the students read the chapter book, "The Candy Corn Contest." In this delightful story, a young boy and his class guess the amount of candy corn in a jar. Ask your second grader to tell you more about our week of reading together. The children completed a candy corn packet while learning about visualizing in reader's workshop, and we even had our own candy contest! Our spelling words were also taken from our story.

Math

This week our class reviewed all our Unit 3 concepts. We took the Unit 3 test on Friday. Thank you for your ongoing help at home!

Social Studies

The students each researched one Native-American tribe this week with a small group of students. Next week, we will use this information to write an expository paragraph to share what they learned with other students. We also finished Unit 4 and began reviewing for the Unit 4 test. The study guide and

Announcements

textbook was sent home today. The test will be on Tuesday.

Thank you to all the volunteers for bread baking. We had more families volunteers than we needed! The bakers will get a note describing the materials they will need to bring for bread baking next Friday at 12:40. I'm so thankful for the wonderful families of 2B who are always so willing to give of their time for our class!

A note came home last week to tell how you can help by donating items for our festival. Please return the bottom portion of that note to school as soon as possible. You may also begin sending those items to school next week. Thank you!

Please remember to put your child's high-five in a sealed envelope to keep it secret. All high-fives and reading minutes are due on or before December 1st. Thank you!

Please feel free to e-mail me with any questions you may have. My e-mail is...
