

## **TEAM TENACITY**

**Dear Parents and Guardians,**

**Aug 31 through Sep 14, 2009 Annual Fundraiser**

To assist with funding educational field trips and projects, we will be asking team members to participate in our only Team Tenacity fundraiser. We appreciate your help as we continue to undertake academically enriched field trips throughout the year. We believe learning exists beyond the walls of the school.

We have contacted Show Me Dough Fundraising out of St. Charles, MO. and have decided to sell Butter Braids, a frozen pastry that has been sold by Chiddix students in the past. This is a great product.

We would like the students to try to sell as many as possible to relatives and friends of the family. Our goal is to have each student sell 15 items which should generate enough money to pay for the trips we schedule. If students do not reach their individual goal or choose not to participate a cost for each field trip will be assessed before each trip

Thank You,

Team Tenacity
