3D NEWS

GATOR PRESS

Grove Elementary
Mrs. Dawson's 3rd
Grade

Volume 6, Issue 1

August 28, 2009

We have had a wonderful start to third grade in 3D! The students are coming in eager to learn:) This newsletter could come home every other Friday in the Friday Folder, and it will also be posted to our class website at www.unit5.org/dawsonkm. I hope that you find it helpful!

There is a lot of information at the beginning of a school year. Thank you for coming to both Open House and Curriculum Night. It has been great getting to know you and your child these past two weeks. There will be a lot of "odds and ends" in this newsletter, so please bear with me!

Here are some highlights from this week:

- In math we looked for numbers around the room and used math tools.
- In science the third graders started to learn about plants.
- In language arts we read *Officer Buckle and Gloria*, and talked about sentences.
- In social studies we worked on Illinois symbols.

Thank you for all that you do for your child.

Go Green!

The newsletter will be available on the class website, and as a way to use less paper, I am asking if you would be willing to read it online. If you would like a paper copy, I will be happy to send one in the Friday folder. Otherwise, write "Go Green" on the Friday folder and I will know that you will be online reading:) Thanks!

BOOK ORDERS

The students brought home Scholastic Book Order forms Today. Please send them in by **Thursday, September 4**. Below are some great books (and book sets) that many third grade gators have enjoyed in the past. Please do not send cash, and make checks payable to Scholastic Book Clubs.
