September 11, 2009

Even though we had a short week, we still accomplished many great things. The last two weeks have been very busy in third grade. We are finishing up our first chapters in all subjects, and we are going to move into new material and less review. Be sure to continue to check the assignment notebook for assignments.

Here are some highlights from this week:

- In math we worked with the number grid, money and patterns.
- In science we finished chapter 1 about plants and how they live.
- In language arts we read *Pepita Talks Twice* and *Nate the Great*, and talked about commands and exclamations.
- In social studies we discussed communities and the importance of being helpful in your community.

Thank you for all that you do for your child.

Thank You!

Thank you for a great start to our year. I appreciate you sending your child prepared and ready to learn each day. The third graders are doing a great job with responsibility. Please remember to send a light jacket or sweatshirt to stay at school. The weather has been so unpredictable this year! Thank you!

FIELD TRIP

Please see the yellow permission slip in the Friday folder for our third grade field trip in October. It will be a great day with a lot of outdoor activities planned. We will need a few parent volunteers to go on the field trip. There will be no extra cost for adults. Please email me or send me a note if you are interested in helping out with this field trip. If we have more than enough volunteers, I will simply have a lottery drawing of all interested parents. I would like to have the final list of volunteers by the end of next week. Thanks!
