September 25, 2009

We had a busy week with SAT 10 testing. The students did a great job concentrating and working hard. I hope they enjoyed the week of no homework and no spelling words. Next week we will be back on schedule!

Here are some highlights from this week:

- In math we worked on fact families, fact extensions, and What's My Rule?.
- In science we talked about animals and life cycles.
- In language arts we worked on Nate the Great activities and creative writing.
- In social studies we discussed urban and rural communities.

Thank you for all that you do for your child.

United Way

Check the Friday folder for the pink note about the United Way fundraiser.

Reminders

Please turn in your yellow room helper sheet if you have not done so. Our room mothers are ready to plan for our first party!

FIELD TRIP

Our field trip is set for Thursday, October 1. Here are some reminders:

- Please send your child with a sack lunch with their name on it. Please do not send lunch boxes or bags—we will not be carrying them around after we eat.
- The students will need a drink that day as well—if it is separate, please have it labeled. Water and juices are encouraged and recommended over soda.)
- Check the weather—it will be good to send a light jacket just in case it gets cold. This will be an outside field trip.
- Please wear gator clothing or orange and black that day for school spirit.
- Hats may be worn for the United Way fundraiser, but if they are a distraction, they will be left on the bus. Please make appropriate hat choices for that day.
