

Good News Report!

Congratulations to the Brigham student body and teaching staff. Brigham has been named a Spotlight School in 2005 by the Illinois State Board of Education.

The **Spotlight Schools** awards honor high poverty, high performing schools where at least 50% of students are classified as low-income and at least 60% passed (met or exceeded standards) the state reading and mathematics tests. All Spotlight Schools made annual yearly progress and sustained their performance over the past three years.

This is an outstanding honor and credit to a dedicated teaching staff at Brigham. Students and teachers are to be commended for their hard work and focus on student achievement.

Respectfully Submitted,

Geoff Schoonover
Principal
Brigham Elementary
