Dr. Gary Niehaus, Superintendent  
McLean County Unit School District #5  
1809 West Hovey  
Normal, IL 61761

Dear Dr. Niehaus,

The faculty and staff, parents, and students of Normal Community High School would like to congratulate and publicly recognize Kyle A. Beasley on his outstanding performance on the ACT. Kyle is one of only 46 Illinois students, out of a total of about 136,000 who took the ACT last spring as part of the Prairie State Achievement Exam, to achieve a 36, the highest possible composite score.

Kyle is the son of Steve and Angie Beasley of Normal. Kyle is also a member of the NCHS soccer team. He has narrowed his post-secondary education choices down to the following institutions: Harvard, Georgetown, or Brown. Kyle plans to major in bio-chemistry as a pre-med major. He states that his concentration will be in "whatever he is good at". I am sure that he will have several options from which to choose.

We are extremely proud of Kyle and wish him well. Congratulations to Kyle and his parents.

Sincerely,

A handwritten signature in black ink that reads "Dr. Jeanette Nuckolls". The signature is written in a cursive style with a large, flowing "J" and "N".
