Dear Dr. Chapman,

The Illinois High School Association has announced that Normal Community High School Tyler Sadlo has been named to the 14th Annual IHSA All-State Academic Team, presented by Caterpillar. Nearly 400 nominations were received from the IHSA member schools. To be eligible for nomination a student must meeting the following criteria:

- Minimum GPA of 4.50 on a 5.0 scale after the 7th semester
- Participation in at least two IHSA sponsored activities during each of the last two years.
- Demonstrated outstanding citizenship during his/her high school career
- Complete an essay on a specific topic

Tyler, a member of the NCHS State Champion football team, was one of only twenty-six students selected by a committee of IHSA principals, representatives of the Illinois Activities Directors Association, and representatives of the Illinois Athletic Directors Association. Tyler is the fourth NCHS student to be named to the IHSA Academic All-State Team during the history of this prestigious award. Two NCHS students were named to the team in 2005 and one student named in 2006. This could be another NCHS tradition based on the outstanding academic performance of our students.

The NCHS community congratulates Tyler and is very proud of his outstanding achievement. Congratulations are also extended to his parents Eric and Sally Sadlo.

An awards dinner will be held for the twenty-six students selected to the IHSA All-State Academic Team on April 23, 2007.

Sincerely,

Dr. Jeanette Nuckolls
Principal
