Focus on Students Report

I would like to recognize Aaron Frank, son of Franz and Verneal Frank, who has achieved three important accomplishments at KJHS this year. Aaron is a seventh grade student at KJHS who has earned straight A's this school year. He is also a member of the band.

Aaron Frank won the KJHS Spelling Bee on January 26, 2005. He placed 4th in the McLean County Spelling Bee on February 23 at IWU which qualified him to participate in The Pantagraph Grand Final Spelling Bee on April 2 at Central Catholic High School.

Aaron also won the KJHS Geography Bee earlier in the school year. He qualified to represent our school and participate at the state level of the National Geographic Bee on April 1 in Barrington, IL.

Aaron also is an accomplished pianist. He was able to substitute for someone in the jazz band with one week's notice, and the group won 1st place with his help on March 19!

Congratulations to Aaron and his family for all of his hard work and accomplishments at KJHS during the 2004-2005 school year!

Respectfully submitted,

Dr. Lynette Mehall, Principal
