## Good News Report

I would like to recognize Jake Bellis, son of Kevin and Karen Bellis, who won the first state championship for Kingsley Junior High School in wrestling. Jake is an eighth grade student at KJHS who earned a trip to the IESA State Wrestling Tournament for all three years that he has attended Kingsley.

Jake was one of six state qualifiers in 2004 and the sole state qualifier in 2005 for KJHS. This year, he was accompanied by four other KJHS wrestlers at the state tournament. With a 33-2 record this season, Jake won 5 individual tournaments. Both of his losses were against the same wrestler, who Jake later defeated to win the Sectional Tournament.

Congratulations to Jake and his family for all of his hard work and accomplishments at KJHS during the 2005-2006 wrestling season!

Respectfully submitted,

Eric Hadden, Wrestling Coach  
Dr. Lynette Mehall, Principal
