Dear Dr. Chapman,

The United States Achievement Academy (USAA) has announced that Normal Community High School sophomore Harirajan Mani is a recipient of one of The United States Achievement Academy's National Leadership and Service Awards. Each student recognized by the USAA has been nominated by a teacher, counselor, or coach as being a top student. Hari's selection for this prestigious award is based on the following criteria: academic performance, interest and aptitude, leadership, responsibility, enthusiasm, attitude and cooperative spirit, dependability, citizenship, and motivation to learn and improve. Hari was recognized as someone who of exceptional character who possesses moral courage to apply fairness, trust-worthiness, respect, responsibility and concern in his life and for the lives of others. Hari received a letter of commendation from the Academy, is pictured and named in the Academy National Award Yearbook, and is eligible for numerous USAA scholarships.

In addition, Hari was selected by the Sister City Association of Bloomington-Normal to participate in the high school exchange to Vladimir, Russia in June 2006. Kay Isenburg of the education committee indicated that Hari's application was impressive and that he did a fine job during the personal interview. He will represent Normal Community High School and our community well.

The NCHS community is extremely proud of the commitment to excellence demonstrated by this outstanding young citizen and wishes him much success in his future endeavors.

Sincerely,

A handwritten signature in cursive script that reads 'I. Jeanette Nuckolls'.
