**Chiddix Junior High School 8<sup>th</sup> grade student, Wil Ward has been selected as an IESA (Illinois Elementary School Association) Scholar Attitude Award Winner for 2005-2006. Wil is one of 14 students picked from the State of Illinois for this award. This is a very special award for our Unit 5 students to win since we have had only 2 winners in the past. We want to congratulate Wil and his parents, Dane and Jenny Ward, for this outstanding accomplishment. Wil, his parents and I attended the IESA Scholar Attitude Award Luncheon on April 21<sup>st</sup>.**
