

FOCUS ON STUDENTS REPORT

To: Dr. Chapman and the Unit 5 Board of Education
From: Tom Eder, Principal, NCWHS
Date: December 20, 2004

I would like to recognize Tyler Zavitz for designing the cover of the 2005-06 Unit Five High School Course Description Book. A committee unanimously selected Tyler's original design from entries submitted by students from both high schools.

Tyler is the son of Gregory and Susan Zavitz of Normal. He ranks 24th in his class of 288 students and has achieved a very high grade point average taking very challenging course work. He has applied for admission to the University of Illinois, DePaul University, and Illinois State University. At one of these schools, he plans to pursue a degree in business or graphic arts. Tyler has also competed on athletic teams at Normal West and is a current member of the Speech team.

Tyler's work is representative of the wonderful fine arts creativity of our students. His design will be seen by every student in the classes of 2006, 2007, 2008, and 2009 as they complete the registration process for the upcoming school year.

Congratulations, Tyler!
