Good News Report

Student Recognition Report

Dear Dr. Chapman and Unit 5 Board Members;

It is my pleasure to share good news from Towanda Elementary. **Devon Robbins**, a fifth grade student at Towanda Elementary, recently won the Tar Wars Poster Contest! Tar Wars is an anti-smoking campaign aimed at children. Devon's winning poster will be made into a billboard and displayed in Bloomington-Normal for everyone to learn from and enjoy. The staff and student body are all very proud of Devon and her accomplishment.

Sincerely,

Sarah Edwards
