Good News Report!

The Illinois State Board of Education recently named Fox Creek Elementary School a “2005 Academic Improvement School” on the Illinois Honor Roll! This distinction goes to schools that have made significant academic improvement by either showing at least a 7.5 point improvement in state student assessments between 2004 and 2005 or showing at least a 15 point improvement in state student assessment results between 2003 and 2005. In addition, these schools must show an upward trend in state testing results.

Fox Creek is the only school in Bloomington-Normal and all of McLean County to receive this distinction. Additionally, in reviewing ISAT scores from the spring of 2006, Fox Creek Elementary School may well receive this award again next year.

Only 306 Illinois schools were named this year. This is an outstanding honor and credit is due to a dedicated teaching staff at Fox Creek. Teachers and staff, students and parents are all to be commended for their efforts and focus on student achievement.

Respectfully submitted,
