## GOOD NEWS REPORT

April 26, 2006

Mrs. Bridget Caldwell, a third grade teacher at Sugar Creek Elementary, was recently recognized at the Ag Breakfast at the Interstate Center for receiving a grant from the John Maitland Ag Awareness Fund.

The money from this grant is being utilized at Sugar Creek to support field trips for the 3<sup>rd</sup> grade classes, as well as a guest speaker assembly for all of the students to enjoy.

We are proud of Mrs. Caldwell's continued efforts in bringing resources to the students and families of Sugar Creek Elementary.
