

50-Year Celebration a Success!

On September 25th, a celebration was held at the school to commemorate Fairview's 50 years of service to children. On that day, our school community was privileged to host more than 200 former teachers, administration, parents and students. In the morning, Pre-K students through 2nd graders listened to entertaining stories from a professional storyteller who is also a former Fairview teacher.

Then, in the afternoon, honored guests – including former secretaries, teachers and principals – arrived at the school. Student council representatives escorted them to the east gym, where amusing stories were told and good memories were shared.

After school was dismissed, classrooms remained open, and a reception was held in honor of the special guests, as well as Fairview's achievements through the years. Many individuals who were key to the school's accomplishments were there. New friendships were made, old ones were renewed, and teamwork was evident throughout the current school community.

On behalf of the 50-year Celebration Committee, the Falcon Family PTO, and Fairview's teachers and staff, thank you to everyone who helped make the day possible. What a great day in Falcon Land!
