# Girl Scouting is for you!

## In Girl Scouting, girls:

- \* Make new friends
- \* Explore and try new things
- \* Enjoy being part of an organization that's just for girls
- \* Help in their community
- \* Experience being a part of a team
- \* Build self-esteem and leadership skills
- \* Have TONS of FUN!!!

### Adult Volunteers Make it Happen!

Girl Scouting would not be possible without the efforts of caring, adult volunteers. Whether you choose to be a leader, assistant leader, helper, or mentor, you can help girls reach their fullest potential. Guiding girls and watching their courage, confidence, and character grow is a rewarding and inspiring experience. Many flexible volunteer options are available and are sure to fit into your busy lifestyle.
