

# ACHIEVE NOW

**Improve your child's ISAT scores!**

- ✓ **By improving your child's ISAT scores your child may be placed in higher reading and math classes in school.**
- ✓ **Instead of being at the bottom or the middle of the class rank they can be at the top.**
- ✓ **All students worry about these tests. Take the worry away with our Achieve Now program.**
- ✓ **Achieve Now is measured by Illinois Learning Standards using the ISAT tests.**
