

Marching Ironman Drumline

Technique Class

Syllabus

Purpose:

The purpose of this winter class is to create a solid root system of the skills necessary to be a part of the Marching Ironman Drumline. By developing the skills and an understanding of what is necessary, as a player you will be more prepared for auditions, creating a more successful spring season, and overall, making the line have a better fall season.

Schedule:

Please view the separate file to see the schedule of this technique class.

Materials:

The following materials will be required for this technique class:

- Binder with clear plastic pages including these items in the following order (Program Introduction Letter, Syllabus, Schedule, Exercises)
- A practice pad and stand to place it on (a regular snare stand should be sufficient).
- A pair of Innovative Percussion AS-TF Tim Fairbanks snare sticks.
- A metronome (this will not be needed at class but will be needed for personal practice at home).
