

NCHS Music Department Newsletter

April 18, 2006 *Keeping you up-to-date every month!*

Welcome to the second edition of the NCHS Bands newsletter

The purpose of this newsletter will be to inform you of upcoming events and changes/improvements to the Music Department website. In future issues we will have a feature called "Ask the Directors", where you send an email to NCHSMusic@verizon.net with your question (questions can be about music or about NCHS but no personal questions) and the Q&A will be published in a future newsletter. If you want your name withheld just indicate so.

If you have requests or suggestions for the newsletter just send them to the email address listed above.

If you have suggestions for the Music Department website please send those to the same address.

Thanks for subscribing and reading the newsletter.
