NCHS Music Department Newsletter

April 18, 2006 *Keeping you up-to-date every month!*

Welcome to the first edition of the newsletter

The purpose of this newsletter will be to inform you of upcoming events and changes/improvements to the Music Department website. In future issues we will have a feature called "Ask the Directors", where you send an email to NCHSMusic@verizon.net with your question (questions can be about music or about NCHS but no personal questions) and the Q&A will be published in a future newsletter. If you want your name withheld just indicate so.

If you have requests or suggestions for the newsletter just send them to the email address listed above.

Thanks for subscribing and reading the newsletter.

Music Department Website

Three new pages have been added to the Music Department website (<http://www.unit5.org/nchs/music/>).

A calendar page has been added. This page will display the current months calendar for the music department or you can click on the calendar link that will take you to a scrollable calendar so that you may view future months.

A "Music Repository" page as been added. The repository will contain links to a site where you may download NCHS music files. The list of files is small now but check back often as this list will be growing.

Interesting Facts

To achieve hard returns between your paragraphs, wrap them like this.

Things to Note

Please Note: Placing <form> tags inside of the newsletter will cause the HTML Builder to stop functioning.

Lastly a 'Volunteer' page has been added for the Marching Ironmen. This page lists the events that the band needs volunteers for, a description of the events, who to contact to volunteer and other information.

Check them all out!!!
