

Well Band Camp is well under way at this point. Mr. Meadows and his staff have been working around the hot weather but the band is still making good progress at this point. All band members that have been at camp this week have been fitted for their uniform. If your band member was unable to attend band camp have ask Mr. Meadows about getting fitted.

The Band Board hopes to see everyone at the Parents Show Thursday night (August 3rd) at 6:30pm.
