Dear NCHS parents/guardians, students, and staff:

This message is being posted in response to a rumor that was circulating today at NCHS.

During the school day, an unknown individual contacted the Normal Police Department to report a rumor that a student had taken a gun to school. The police had no knowledge of the rumor. They immediately contacted the NCHS School Resource Officer, who informed the NCHS administration.

The school administration and school resource officer implemented the appropriate precautionary procedures. A thorough investigation was completed. No weapons were recovered. At this time, we have no information that substantiates that a weapon was brought to school. The school day continued without interruption or incident.

NCHS seriously considers any information regarding the safety of students and staff and will continue to follow the established procedures when responding to concerns expressed by the community.

Please feel free to contact me at (309) 728-5034 if you have any questions or concerns. Thank you.

Dr. Jeanette Nuckolls
