

Welcome back! Please join us as we kick-off another school year.

IronPride is asking for a \$20 donation to cover both the membership and the unraiser.

IronPride is very generous with all the students, teachers, and staff. All of your donations will be used *right now* to help get the Spiritwear store, the Café, and the concessions up and running. IronPride donates all of its money back to the building, students, teachers, and staff. Thanks for your support!
