- The Treasurer's Report was presented and discussed (following the business discussion). Motion was made to accept the report as written by Randy Klante. Motion was seconded by Diana Weekes. Motion carried.

### Discussion Items

- Fund Requests  
No fund requests were presented.
- Old Business
  - We had to make some adjustments to the concession schedule. Weather and other situations will affect our scheduling and payouts. Boosters will do the best that we can to find another spot for those groups displaced. Also, if a rescheduled event causes a group to have a conflict, we will try to find another stand for them to work. There are some regional events that are not confirmed events that we can also use as backup.
  - Boosters will keep the Boys Basketball Shootout as a Booster fundraiser. We need to generate funds for our Cat-A-Tude scholarships. Lisa Nichols will send out a request for volunteers next week. Randy will maintain the stand.
  - Randy will seek confirmation that Boosters can have a display in the front lobby of the school for our Brick Sale.
  - Bobbi Price reported that all outstanding membership items are in and are available for pickup at the indoor concession stand during any game.
  - Julie will send all of the winter sport coaches an update regarding their team's booster member numbers for the \$250 award. The email will also include a reminder on their concession stand dates.

### New Business

- Several events are coming up soon that we need to think about.
  - 1/6 - Future Freshman Night
  - 2/13 - King of Hearts
  - 3/5 & 3/6 - Speech Tournament
- Girls Basketball will be hosting a "Think Pink" event versus Bloomington on 1/23. They requested that Boosters participate somehow with concessions. This will be addressed further at the January meeting.
- Boosters will be selling the You Name It Sport magazine as a service to our parents. Julie is also investigating a large ad in the seasonal programs that they now produce.

Our next Booster Club meeting is January 6<sup>th</sup> at 6:30 in the IMC.

The meeting adjourned at 7:23 pm.

Respectfully submitted,  
Lisa Nichols
