

Scrip/Market Day Schedules

All year long, the PTO offers Market Day food products and Scrip from Great Lakes Scrip Company, which are similar to gift cards, from a wide variety of retailers. These are two very reputable companies that have done really well for us in the past. One of our long term goals is to eventually raise enough money for some much needed new playground equipment, and these programs will help us reach that goal. We use Market Day and Scrip because they are easy and convenient for parents, and offer items that you'll always be able to put to good use. For future reference, here are the important dates:
