

**P-Team Agenda**

Week of Nov. 26

Are you checking the posted agenda with what your student has written in their personal agenda? Why not reward a student who writes information that matches what is printed here, and give consequences to students who do not bother to record the data. Doing so will encourage the desired behavior and help prepare your child for high school, when an agenda might not be available.

		Monday	Tuesday	Wednesday	Thursday	Friday
