KA'S KINDERGARTEN KLIPPINGS

April 15, 2009

IMPORTANT DATES…

* **Friday, April 24th** begins our ABC School Day Countdown. That means that there will only be 26 more days left of school for the year! It is so hard to believe! If you haven't already sent in the form for helping by providing items and are willing, please send that in by the end of the week.

* **Thursday May 7th** is kindergarten pre-registration. If you have a child coming to kindergarten next year, pre- registration will take place on this day. Please share this date with any friends or neighbors who may also have children coming!

* There will be NO SCHOOL on **Monday, May 25th** due to Memorial Day.

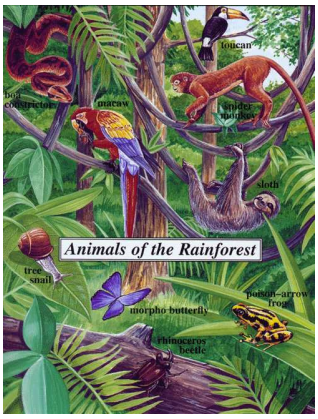
* **Monday, June 1st** there will be NO SCHOOL due to a teacher institute. This day was scheduled as a floating day to be used prior to the last day of school. Since we have had so many snow days, it is no longer on May 26th. Our last hour of school will take place on **Tuesday, June 2nd.**

* We are also in the process of planning a few more special events before the end of the year. Keep an eye out for information regarding a fieldtrip, wedding and an end of the year program to come home soon!

KINDERGARTEN THEME…

* We spent The beginning of April learning about oviparous animals (animals that lay eggs) including frogs, turtles and birds.

* Currently we are using the rainforest and soon Earth Day as themes for our learning. We are enjoying learning about the animals of the rainforest and went on an alphabet animal safari with Mrs. Kieser's class during our science time! The children had a blast!



* In math, we continue to work on addition and subtraction. We are also continuing to practice counting dimes and nickels as well. Please help your child practice counting these coins by 5's and 10's!

F.Y.I.

* Miss Campbell's last day with us will be May 7th. We will be doing something very special to celebrate with her and to thank her for her time and dedication with us all year. Please watch for more information to come home!
