Deportation Worksheet

You will be deported tomorrow. You are allowed to take with you one bag with your personal items. The weight limit for this bag is 20 pounds. Select items to take that may help you survive. Take into account the things Gerda in "One Survivor Remembers" and Daniel and his father had and did to survive. Be aware there may be items that are not legal to take. List the items and their weights on this form. Give a brief explanation of how these items will help you survive.
