# Networking For Success

---

**FEBRUARY 22, 2010**

Normal Community West IMC  
6-8 pm

### Agenda

#### Literacy & Reading- **6-7 pm**

What Are We Doing in Unit #5: What Can I do at Home

Elementary-	Toni Eckley	RtI interventionist
Middle School-	Rexie Lanier	RtI Coach
High School-	Mary Walker	RtI Coach

We want to provide information on our current reading practices and approach within the district at each level. The presenters have been receiving training and supporting teachers through the year. They will explain our reading direction and give parents ideas on how they can support their children/young people at home.

#### Student Led IEP's and **7-8 pm**

Transition Planning and student involvement	Carrie Chapman	Secondary Specialist
---	----------------	----------------------

We have been working to assure that we meet the needs of students with IEP's in high school as they leave school and enter the adult world. Carrie will give an overview of our approach for this and talk about how we work with students to prepare them for this process. She will answer questions and give parent information on how they can help in this process.
