Spelling Test

Help Wanted:

I am looking for some volunteer helpers in IWi for the month of May to help with end of the year projects. Please send me an email at wiliamc@unit5.org or a note with your child if you can help out. There's a job for everyone. Thanks so much!

LANGUAGE ARTS:

This week in IWi, we read the story "How to be a Nature Detective". Students enjoyed being a detective this week by going on a scavenger hunt. Along with "How to be a Nature Detective, we focused on several other skills. We focused on the long vowel "o" as in old, plot of a story, and main idea. Please have your child read the story "How to be a Nature Detective" on pages 98-119. Keep practicing those vocabulary words!

This 'N That

The children enjoyed our Teddy Bear Picnic today. They read some of their favorite bear stories to their third grade buddy. It was an exciting time for all. We are heading home with

SPELLING:

Check your child's folder for a list of spelling and challenge words.

MATH:

We will have our Chapter 7 test on Tuesday, April 29. We begin fractions, number stories, and review counting money next week.

SCIENCE:

We are learning ways to take care of our Earth. Please don't forget to turn in your Earth Day project on April 28th.

UPCOMING EVENTS

APRIL 25
NO SCHOOL

APRIL 28 - MAY 2 Spring Fling Week

Monday - Free seating in the lunchroom

Tuesday - Wear your favorite hat and sunglasses

Wednesday - Have lunch with your teacher

Thursday - Bring a pop to school

Friday - Extra classroom recess

Show and Tell:

Write down an Earth friendly tip

our Baseball Reading Program. Don't forget to turn in those slips by May 1st to earn a free ticket to the Peoria Chiefs game. Students will also receive their very own baseball card.
