- **Friday**
Spelling Test
Blue reading books come home

WISH LIST:

Disinfecting
wipes

LANGUAGE ARTS:

This week in IWi we read the story "At Home Around the World" in our reading books. They also enjoyed partner reading different versions of this story with their friends. Along with "At Home Around the World, our lessons focused on several skills. Students focused on words that end in the letter "y" but sound like long e as in happy, classification, word endings -ed and -ing, and map skills. Please have your child read the story "At Home Around the World" to you on pages 66 - 91. Please study the new vocabulary words and go over the questions at

This 'N That

A big thank you to all parents for a great Valentine Party on Thursday. We had such a good time. If you didn't get a chance to come to our party, please check out the Valentine pictures on our classroom website. Go to www.unit5.org/williamc.

the end of the story with your child after reading.

SPELLING:

Check out our classroom website for new ways to practice spelling at www.unit5.org/williamc

MATH:

We are continuing to learn about place value and numbers. We are comparing numbers, doing number stories, and what's my rule math problems. We are practicing doubles (4+4, 5+5...) and "count backs" which is subtracting -1, -2, or -3 from a number. Pull these out of your flashcard

box and practice for 5 minutes each night.

SOCIAL STUDIES:

We are learning about Rosa Parks and how she helped the Civil Rights Movement. Please bring in 1 fact about Rosa Parks to share with the class on Monday, February 18.

UPCOMING EVENTS

February 29

NO SCHOOL- Teacher Institute Day.

Family Fun Night

Feel free to send in a donation prior to the date to help with our So Sweet basket.
