## LANGUAGE ARTS:

This week in IWi, we read the story "Little Bear's Friend". Students enjoyed writing in their journals about their favorite part of the story. Students also enjoyed acting out different versions of Little Bear's Friend. Along with "Little Bear's Friend", we focused on several other skills. We focused on the long vowel "i" as in pie and by, alphabetizing, cause/effect, and describing words. Please have your child read the story "Little Bear's Friend" on pages 184-

215. Keep practicing those vocabulary words.

## SPELLING:

There will be no spelling test when we return from Spring Break.

## MATH:

Have you stopped practicing those flashcards? Don't stop! Students still need to practice every night. It only takes about 5 minutes. Are you taking a trip over Spring Break? Take the flashcards with you.
