# Scholarships

Now is a great time to have your senior looking at scholarships! You can find them at the schools they are applying to or on our [Normal West scholarship page](#)

# Trades Fair Postponed

We were still hoping to host an in-person trades fair in December at Normal West. However, due to the current numbers and the districts decision to stay remote, we will look for a spring date.

# Course Selection

December is when we start gearing up for course selection for the next school year. There is a huge connection between course selection and college and career readiness! You will be receiving more information about course selection, but here are some resources for you.

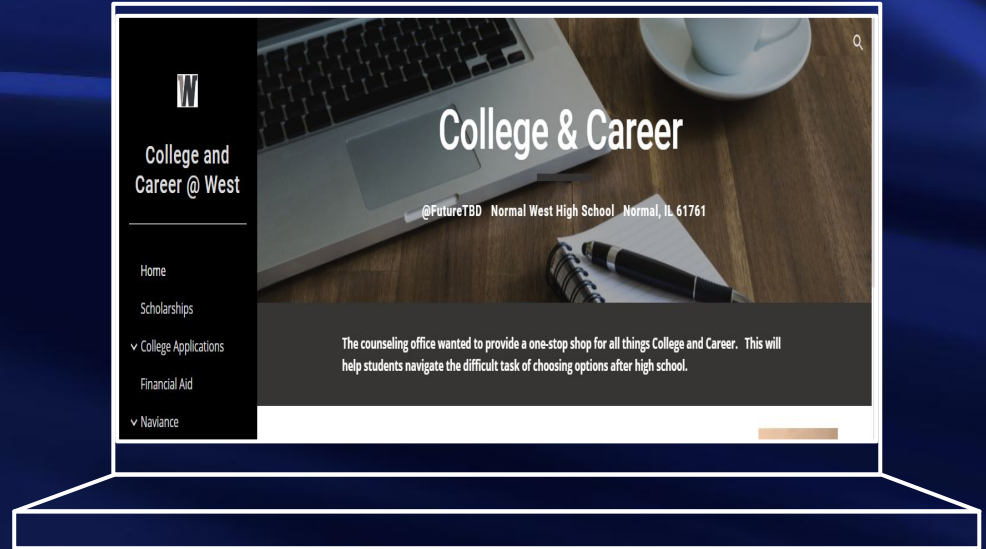

- Course Selection Website
- Career Pathway Book- Courses based on Career Interest
- Course to Career Guide- A description of all courses available
- Virtual Open House with Counselors-December 15th 6-7pm
  - Link and more information to follow

## Did you know?

There is an entire “College and Career Readiness” website at West.

Here you can find career search tools and information.

You can also access Naviance our College and Career platform to research Colleges and take career assessments
