

Normal West College and Career-October 2020

Busy Month!

October is a busy month for our students in terms of college and career readiness! We will have many of our seniors filling out applications to colleges, completing their Free Application for Federal Student Aid (FAFSA), and taking the SAT! We know this can be stressful so please know you have support from your counseling staff through this process!

College Visits

We have around 20 college reps meeting with our students. It is a wide variety of schools ranging from in-state to the east coast! Please make sure your parent/guardian calls the attendance line if you are missing class.

Virtual Office Hours

We will have a representative from the Illinois Student Assistance Commission (ISAC) here on Thursdays during lunch periods virtually to meet with students and parents about financial aid. To meet with our rep, please go to:
