# Interested in Dual Credit for next year??

- Must Apply and take Placement exams **BY December 16th, 2022!**
- Go to [www.heartland.edu/collegeNow/admission](http://www.heartland.edu/collegeNow/admission)
  - Must provide **SS#** on application
  - Be sure to select **FALL 2023** as term to start classes
- Will get a welcome email from Heartland 3-5 days after submitting application
  - **Be sure to use an email address which you check regularly**
  - **SAVE THIS EMAIL as it will have your myHeartland account info which you will need in the Fall**

## Things to remember:

- Current DC student: You do not need to reapply or reassess
  - You are still active at Heartland and still qualify for the 2023-2024 school year
- If you applied, assessed, and placed into dual credit courses for this current school year, but chose not to take a dual credit course this year, you DO NOT NEED to reapply or reassess.

## **Placement Exams: Literacy and Math**

- Set up myHeartland account in order to schedule your placement exam appointment
- These are taken in person at HCC
  - Everyone needs to take the literacy exam
  - Math exam if interested in the Math courses or Fund. of Chemistry course

## **ARE YOU EXEMPT from Placement Tests??**

### **PSAT/SAT/ACT scores : To waive Literacy assessment**

SAT/PSAT: Evidence-Based Reading and writing 480+

ACT: English and Reading subscores of 19+

### **PSAT/SAT/ACT scores : To waive Math assessment for **Intro to Stats or Fund of Chemistry****

SAT/PSAT: math subscore 500+

ACT: math subscore 19+

### **PSAT/SAT/ACT scores : To waive Math assessment for **FINITE****

SAT/PSAT: math subscore 620+

# **Placement Test Field Trip:**

Finding it difficult to transport yourself to Heartland to take the tests? If so, consider signing up for one of these testing field trips.

Wednesday, Nov. 16th (8:40am-11:30am)

Friday, Dec. 2nd (8:40am–11:30am)

Use the following google link to sign up:

<https://forms.gle/2iczJPGGd7Pnmm6y6>

Reminder:

HCC application and all placement  
exams MUST BE completed by

**December 16th, 2022**

# Internship

The Internship program is for students who want to explore a few different possible career paths. This will allow you to see whether or not you are likely to enjoy a profession before you head to college or the work world.

This is a perfect way to explore a career path before spending thousands of dollars on a college degree!

# Work Program

The Work Program is perfect for students who want work hours (and money) that are available due to a decreased class load. Work Program students typically go to school 1st-4th/5th hours and then are released to go to work. This allows you to get quite a few more hours of work each week.

# Intro to Ed

Introduction to Education exposes students to a variety of Education-related careers through course work, speakers, observation hours and internship. The dual credit coursework is centered around Illinois Professional Teaching Standards. Placements will include Early Childhood, Elementary, Middle School, High School, Special Education, English Language Learners, and other Education-related fields.

# BACC - Bloomington Area Career Center

- Variety of vocational courses (check Course to Career Guide for program prerequisites)
  - [List of BACC programs](#)
- 3 hours of your day (2 hours for class, 1 hour for transportation/study hall)
- 2 credits/year
- Bus transportation provided
  - Zero hour must provide own transportation
- Applications required/Acceptance in February
  - [Click Here for Online Application](#) (opens November 1st)
- **BACC rep is coming Tuesday, November 1st and Thursday, November 10th during the lunch periods if you would like more information!**
