Important Info from Hudson School

If Unit Five will not be having school due to weather conditions, the Unit Five website will post and a district phone call will be made to families. It will also be posted on the From the Principal Facebook page. A decision will be made by 5:00 a.m. Please make sure you have a plan to follow.

Please call our school office if you will be having a kindergarten student attend Hudson School next year so we can plan accordingly.

Write each family member a love letter, expressing all the ways that make them special.
Surprise your neighbors and friends with a card left at their door.
Take along a bag of hugs and kisses to share with everyone you meet.
Prepare a special supper of everyone’s favorite foods, even if the selections don’t go together.
Leave the television and computer off for the evening and enjoy each other’s company.
Fill your families’ book sacks, briefcases and purses with a love notes.
Leave a Valentine with chocolate for the mailman.
Write love notes on sticky notes and put them everywhere!

“We do not develop habits of genuine love automatically. We learn by watching effective role models—most specifically how our parents express love…day in and day out.”
