

FEBRUARY 2019

Important Info from Hudson School

Thank You For Your Box Tops!

We appreciate every box top that is collected. PTO reports that in the month of December alone, 1,100 box tops were collected! Keep them coming!

It isn't too late to take our parent survey for Hudson School. Results help our school to be even better!

Congratulations to our star students for the months of December and January who received Positive Office Referrals from a staff member: John Jasker, Ares Clark, Faith Hair, Audri McKee, McKenna Harper, Jaxon Thomas, A. J. Rick, Kayden Lopez Morales, Joanna Gonzales, C. J. Payton, Jaxson Crancer, Evan Shields, Eric Mengarelli, Maggie Hughes, Isabella Brush, Hannah Wilcox, Eli Young, Evan Fike, Kian Sochotsky-Pate, Addison Donahue and Gabriella Donahue. We are proud of you!

ADJUSTMENTS TO THIS MONTH'S CALENDAR.....

Feb. 18th and 19th —NO SCHOOL DAYS
Feb. 13th and 27th— LATE START DAYS

It's Cold Out There!

Here are some tips to protect children when the thermometer dips:

* Think layers. Put several layers of clothing on your child and make sure their head, neck and hands are covered.

* Beware clothing hazards. Scarves and hood strings can strangle smaller children so use other clothing to keep warm.

* Check in on warmth. Tell children to come inside if they get wet or if they're cold. Then keep watching them and checking in.

* Use sunscreen. Children and adults can still get sunburn in the winter. Sun can reflect off the snow, so apply sunscreen.

* Get equipped. Children should always wear helmets when snowboarding, skiing, sledding or playing ice hockey.

* Keep them hydrated. In drier winter air kids lose more water through their breath. Keep them drinking and try giving them warm drinks and soup for extra appeal.

* Watch for danger signs. Signs of frostbite are pale, grey or blistered skin on the fingers, ears, nose, and toes. If you think your child has frostbite bring the child indoors and put the affected area in warm (not hot) water. Signs of hypothermia are shivering, slurred speech, and unusual clumsiness. If you think your child has hypothermia call 9-1-1 immediately.

IMPORTANT DATES:

Feb. 5—PTO meeting at 6:00 p.m. in Art Room

Feb. 7—PTO Restaurant Night at Chick-fil-A

Feb. 13—LATE START (begin at 8:45 a.m.)

Feb. 14—Valentine Parties at 1:45 p.m.

Feb. 18— NO SCHOOL for President's Day

Feb. 19—NO SCHOOL for School Improvement Day

Feb. 28—Family Reading Night 6:30-7:30 p.m.

Family Reading Night Returns

Be sure and set aside the evening of Thursday Feb. 28th for our annual Family Reading Night. It begins at 6:30 p.m.

and the hour is filled with reading activities that your entire family would enjoy together. There will be a book exchange as well, so any used book brought that night (in good condition) can be exchanged for a different one to take home and enjoy. Watch for more information being sent home with students later this month! The more children read, the more they succeed!

We appreciate if parents did not arrive to school for the Valentine classroom parties until 10 minutes before the party is to start. Our teachers and students are busy teaching and learning and would appreciate not having the disruption. Thanks so much!
