

NOVEMBER 2018

Important Info from Hudson School

Cooler weather is on the way! Make sure your children are dressed for outside recess play as we will be going out unless the temperature with wind chill is below 20 degrees. We will also not be having water bottles here at school until Spring and hot weather returns. Thanks!

Parents, please "like" the Facebook page called "From the Principal". It is unique to Hudson School as Mr. Myers tries to keep families up to date!

We congratulate the following students for being sent to the Principal for positive recognition by our teachers or staff:

Are You Hungry for Monicals???

Restaurant nights are easy ways to enjoy going out to eat while helping the school out at the same time! PTO invites you to the Monical's (next to Best Buy) anytime on Nov. 5th. We get part of the proceeds!

United Way Coin Collection To Help Others

As in the past, students are encouraged, but not required to bring in coins for the United Way Campaign of McLean County during the week of November 12-16th. Little plastic canisters will be provided for students to fill with their coins. Each day will be a different coin as we dump them into our school-wide bucket. We will use a super hero theme all week with the main theme being "Be A Hero To Those in Need".

Here is the schedule we will follow during that week:

- Monday 12th): Pennies
- Tuesday (13th): Nickels
- Wednesday (14th): Dimes
- Thursday (15th): Quarters
- Friday (16th): Dollars

I have so much to be thankful for and I hope you do too! I get to spend my days at the best school around with a great staff and fantastic students and families. Thank you to all of our parents who took the time to meet with our teachers recently as we all work together to find success for each of our students. The support of parents and other family members is a huge reason that our students continuously show academic and social growth each year compared to other schools our size in the state. Our mentor program continues to boost each student with the warm feeling that they are surrounded by those who care for them. And those supporters come in all sizes! It was fun to have our mentor teams eat together this week and to hear conversations that were positive and uplifting for each of their team members. I wish to personally thank our long-time evening custodian Keith Schlink for his service to our school as he moves on to other opportunities that await him. He will be missed. May all of you find reasons to be grateful this Thanksgiving season as you spend time with your loved ones. In this changing world, it is even more important to hold your dear ones close and appreciate the goodness that is yours!
