

# Meeting with Your Classroom Teacher

*Every classroom teacher has specific requests/preferences for their parties for the year. Please take a moment to contact your classroom teacher and introduce yourselves as the room parents. I recommend asking the following questions.*

For the classroom parties...

How long do you allow for your parties?

What structure would you like?

What types of activities would you like to see at the party?

Will we be able to come in ahead of time to set up/move desks?

Can we use the commons area in addition to the classroom?

How many parent helpers do you want me to get? Are all parents going to be invited to the parties or only if they are actually a helper? Can younger siblings attend the party with the helpers?

When supplies are sent in by parents will you store them in the classroom until the party?

Any allergies for the classroom? If so, how do I handle getting the food checked that we will be using for the party.

Will you be following the suggested schedule for the party times?
