

CAST LIST

ALL IN THE TIMING

Meet in room 39 after school Tuesday to get scripts and schedules, even if you can't stay long. Understudies need to be there too, please. You were selected for your performances during auditions, and you are crucial.

For everyone, thank you for great auditions. Once again, we had too few parts for too many great actors, and you all made it very difficult for us. Please consider a tech crew position; we're going to have a great time, and there's a lot of fun stuff to be done.

If you would like to discuss your audition, have any problems with showing up Tuesday, or have any questions please text Vernon at 303-2303.
