If you were cast, YOU MUST ATTEND THE 3:30 MEETING IN ROOM 39 TODAY (FRIDAY)! At this meeting you will get scripts, and we'll talk about the schedules and expectations. Your attendance at this meeting indicates you have accepted your role, and your absence....

If you were not cast, please come back! We had 61 talented people audition for 25 parts in this show, and the decisions were agonizing. There are more opportunities for parts in the next shows, and there's plenty of tech to do for this one. Come to the drama club meeting this Tuesday, too.

If you are interested in tech, please come to the Tuesday drama club meeting too. We'll sign up for crews.
