Thank you to everyone who auditioned. Once again, I had **much** more talent than I had roles to fill. I could have easily cast this three times, and sent two companies on the road. You all made my job very difficult.

If you were cast, there is a **MANDATORY meeting today in Room 39 after school**. Yes, that means you must be there. I'll give you scripts, talk about calendars, and discuss the IHSA requirements.

If you are interested in tech, see me, or come to the Drama Club meeting Tuesday, 3:30, in Room 39.

Thank you!
