### Upcoming Dates

10/14 - No School

10/16 - Late Start

10/25 - P/T Conferences -  
No School

10/31 - Halloween Party @  
2:15

### Parent Teacher Conferences

Parent teacher conferences will be Friday, October 25, 2013. There will be no school for students that day, but we look forward to meeting with parents. During the 15 minute conference, we will share the results of the assessments we have completed with your child to show his or her strengths and goals to work on. If you have not already signed up for a conference, please contact your child's teacher. Thank you!

**No School Monday!!!**  
**Enjoy your long weekend!**  
:)

I will choose at least one box from each column to keep practicing at home:

Read a story together. Tell who the characters were and what your favorite part was.	Tell, write, and read five sight words you know.	Look for a group of coins at home. Sort them by color or size.
Read a story together. Draw a picture and write 2 words that describe your favorite character.	Practice writing upper and lower case letters, especially Xx and Ee.	Have someone pick a number 0-20, then count out that many objects. (Snack items work well for this.) For a bigger challenge, pick a # higher than 20.
Go through the alphabet saying the sounds instead of the letter name.	Draw a picture with several colorful details of your family. Make sure you label each person with their name.	Count and do exercises. (20 jumping jacks, 10 hops, skip while counting to 15, etc)
