

Dear Grove Families,

I hope everyone is off to a great Monday!

I have a couple updates:

*The Supply Pickup for all grades will be this Friday, Oct. 2nd from 8-3.

*The Grove Gator Run will take place Saturday and Sunday, Oct. 3rd and 4th.

*The Gator Run T-shirts will be available at Grove Elementary from 11-1 on Friday, Oct. 2nd.

*Mrs. Scott is back to teaching IMC this week.

*We have a Late Start this Wednesday, Sept. 30.

I also wanted to share the message below about the Return to School Plan. This message was shared last week, but I wanted to make sure everyone saw the information. If your family will be choosing to remain in FULL REMOTE LEARNING, please follow the instructions below. The deadline to Opt into this learning structure is today.

If you are choosing for your students to return in person for the Hybrid Learning Model, please disregard this message. You do not need to complete this survey.

This Remote Learning Opt In survey should only be completed by families who are choosing 100% Remote Learning for their student(s). These students will not attend school on any days in person for the remainder of the 1st Semester (through December 18th). **Only 1 Parent or Guardian** should complete this survey for all household members who are choosing **100% Remote Instruction**.

To sign your students up for 100% Remote Instruction, please complete the Remote Learning Opt In - October Survey. To access this survey log onto your district's Infinite Campus Parent Portal at <https://mcleanil.infinitecampus.org/campus/portal/mclean.jsp> and select the survey link in your inbox.

This survey will be accepting responses from 09/24/2020 until 09/28/2020.

Please see [IC Survey Directions](#) for more information on accessing the survey.

If you have any questions about the Return to School Plan, please feel free to contact me by calling the office at 557-4417.

Have a great week! Later this week I will be sending out our special Gator Staff Guest video!

Stay safe, Stay Healthy, and Stay Gator Strong!
