

Tablet Device Setup

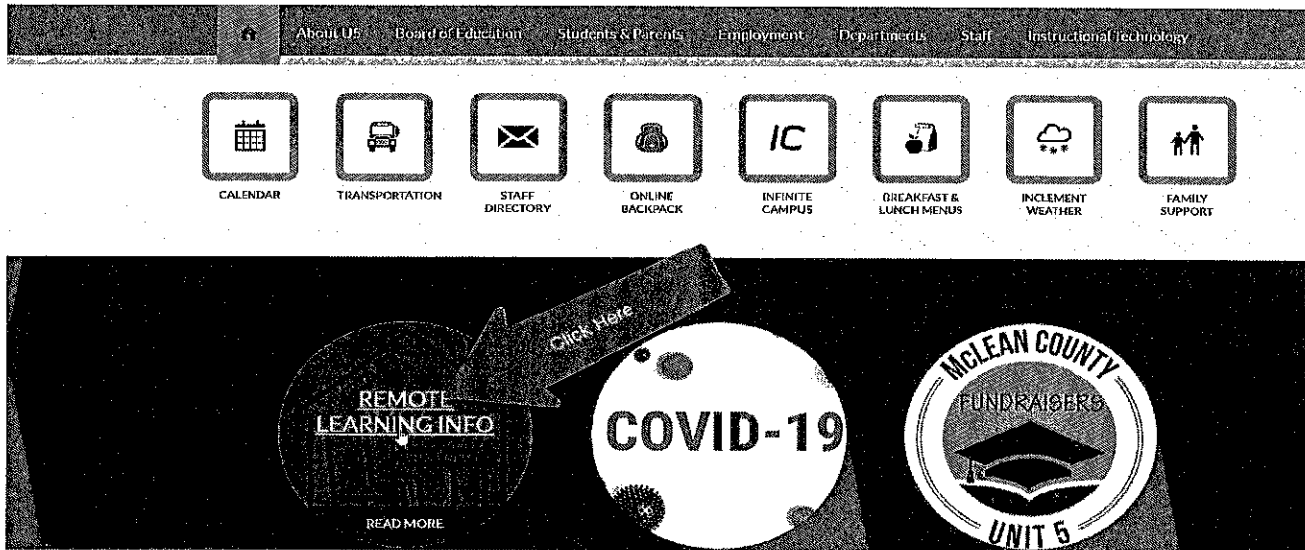

Below is information to help you get your device set up for the 2020-2021 school year.

1. Follow the [K-2 Tablet Sign In Steps](#) or below directions.
 - a. Turn on your tablet
 - b. Click on **Next**
 - c. Scan your QR code if you have it.
2. If you don't have a QR code, Login using your user name and password. See the following steps to access your student's Unit 5 email address and username. See the attached/linked [Finding Student Username-Email](#)
3. [Connect the tablet to your home internet](#) following the attached/linked directions.
 - a. Please make sure your home has an internet connection with a provider. The providers we have in this area are **MetroNet**, **Comcast** and **Frontier**. All three providers will provide support making sure your connection works correctly.
 - b. Comcast is offering 60 days Free internet access for low income families. Please see the attachment or open this [link for more information](#).

If there are issues, please email remoteissues-PK-5@unit5.org for support.

Once your computer is up and running and connected to the internet, please see the [Parent and student video tutorials](#) which can found by going to:

- www.unit5.org
- Click on the **Remote Learning Info Button** in the middle of the page.

Click on "I have a Device...Now What?"

Finding Student Username-Email Address

1. Locating your student's login information:

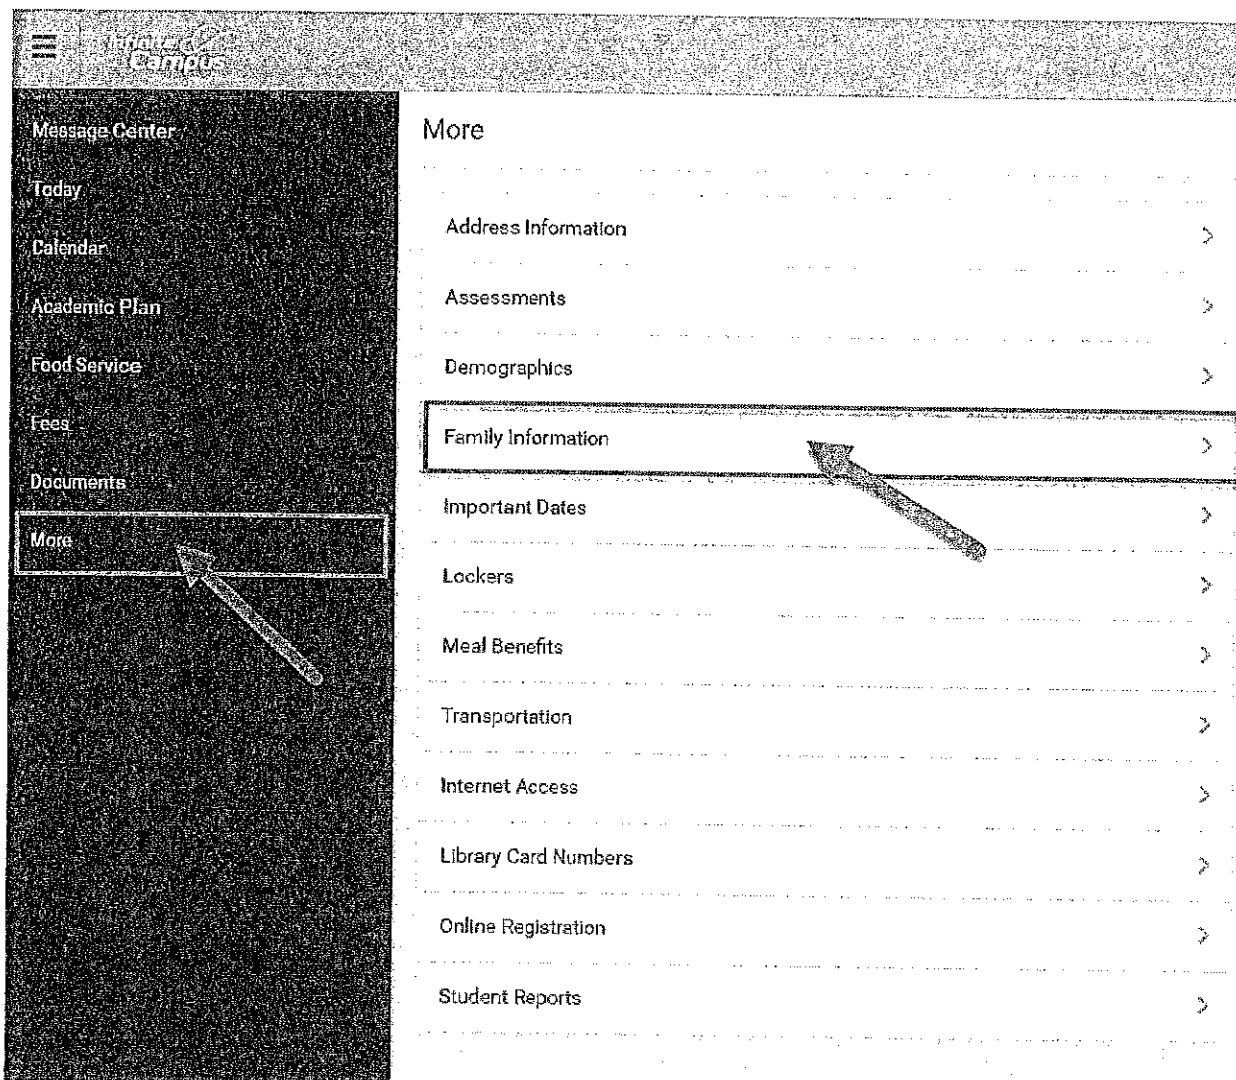

- a. Go to the Unit 5 Website to access Infinite Campus or access from your Parent Portal App on your phone..

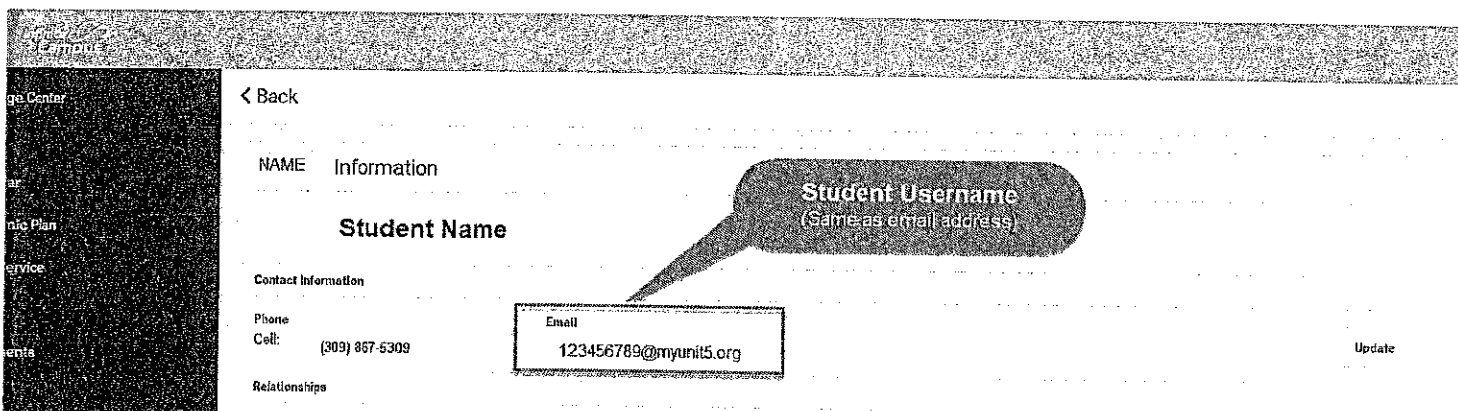

b. Log in to the Infinite Campus Parent Portal

A screenshot of the Infinite Campus login page. The header says "Infinite Campus" and "Transforming K12 Education". Below that is a "District Edition" badge. The page shows a "Single Sign-On (SSO)" button, followed by "or", then fields for "Username" and "Password". A "Log In" button is at the bottom. To the right of the login fields are three numbered steps: "1. Enter your Username (Generally last name + initials)", "2. Enter Password", and "3. If you have trouble logging in, click on 'Forgot Username' or 'Forgot Password'". At the bottom left, there are links for "Forgot Password?", "Forgot Username?", and "Help".

- c. Click on "More"
- d. Click on "Family Information"

e. Locate your student's name.

- f. The username is the same as their email address.
- g. Type in the username/email address
- h. Type in the password: Welcome1
 - i. Be sure to use the uppercase W

If there are issues, please email remoteissues-PK-5@unit5.org for support.

Comcast is offering FREE internet for low income families for 60 days.

Beginning Monday, March 16, 2020, Comcast is offering 2 months free to new Internet Essentials customers in response to recent and anticipated emergency measures associated with the Coronavirus (COVID-19).

New customers will get complimentary internet essentials service for 60 days, which is normally available to qualified low-income households for \$9.95 per month.

All new customers will receive a free self-install kit that includes a cable modem and WiFi router. It is a no term contract.

To sign up call: 1-855-846-8376 or go to:
<https://www.internetessentials.com/covid19>
