

Dear Students and Parents:

Below is the Chess Tournament Schedule for the 2015-2016 school year. Each student is responsible for registration, payment, providing transportation and parental supervision for all tournaments except for the IESA State Tournament. More information will be provided about the State Tournament as we get closer to the date.

I have been talking to the students about Chess Etiquette. I have very high expectations for all of the students and have reminded them that they are representing Evans Junior High School. Before each competition if you could talk to your student, I would really appreciate it.
