

Northpoint January Parent Teacher Conference Sign Up Forms

1/22/21 8:00am - 4:00pm

****If you do not see a link for your teacher please reach out to them directly****

We hope you had a restful, relaxing winter break. We wanted to reach out and share the links to all of the teacher's Parent Teacher Conference times. Unit 5 made the decision to move parent teacher conferences to January earlier in the year due to the switching between hybrid and remote learning. The time is now here to talk to your child's teacher and see where they are and ask questions. If your child recently switched from in-person learning to hybrid or vice versa please reach out to the teacher they have had the longest.

On Friday, January 22, there will be no school as teachers will be meeting with guardians virtually. This year conferences will look different. All the conferences will be held virtually. When you sign up for a time, the teacher will send you more information in regards to the platform for the meeting. Be well!
